# GRADUATION 1975

“... All is well that ends.”

I would just like to say thanks to all those who contributed their time and energies to make this book possible. I have tried to represent all aspects of Westminster College, but at times it is a rather difficult job to do. I have done my utmost to accomplish this. May all your future years and adventures be filled with joy and happiness. God Bless, Amy Sutcamp 1975 Editor-in-chief
